

DiversIT
THE EUROPEAN DIGITAL WOMEN DIVERSITY CHARTER

Petra Kotuliaková, Slovakia

Our goal / Why DiversIT Charter

Build a STRONG community to support diversity in tech across Europe

Identify and support companies and associations
changing the current situation

How does it work?

What will you gain?

- Public recognition of your commitment to increase gender diversity in ICT professions
- Clear, continuous guidance and concrete recommendations on how to build support for women working in technology roles in your organisation
- An ever-growing international network of organisations with the same priorities
